DÍA DE LOS MUERTOS/DAY OF THE DEAD OFRENDAS/ALTARS

NOVEMBER 2020
Day of the Dead: Ofrendas/Altars

Due to the recent pandemic, the LASC is doing something very different this year as opposed to having its annual on-site ofrendas/altars installation at the Old Episcopal Burying Ground. The following slides are from individuals or groups that have created an ofrenda/altar for a departed family member, friend, or historical figure in their home to be displayed on the Living Arts & Science Center’s website for this year’s Day of the Dead Festival. Please enjoy!
