THE LASC’S POP-UP EXHIBITION SERIES

NOVEMBER 11 - DECEMBER 26, 2020
LASC’s Pop-up Exhibition Series

We all have been deeply affected by Covid-19 and this pandemic that has changed the world. Normally, the LASC presents highly planned and curated exhibitions that are usually scheduled one to two years in advance. This fall to shine a spotlight on the many truly gifted working artists in our community, the LASC will present a series of Pop-up exhibitions featuring local artists paired together for monthly shows starting in September.
LASC’s Pop-up Exhibition Series

Due to Covid, these exhibitions will be presented virtually on the LASC’s website. Let’s try to remember during these unprecedented times to celebrate art and the artists that create it. Pop!
