

2022 Summer Camps Sponsorship

SPONSOR A SUMMER OF FUN FOR KENTUCKY'S KIDS!

Team up with Central Kentucky's most innovative and creative art and science complex! We customize our partnerships to create strategic outcomes that benefit everyone involved. Don't miss your chance to collaborate with a renowned and historic organization and get in front of a highly engaged audience.

Why be a sponsor?

- YOUR SPONSORSHIP MAKES SCHOLARSHIPS POSSIBLE. CHANGE LIVES! We are the only Central Kentucky organization providing FREE science and arts programs for at-risk, underserved, and special needs students in schools, social service agencies, and the community at-large and we ensure opportunity and access by providing class scholarships for students with financial need.
- The Living Arts and Science Center has partnered with well-known organizations such as NASA, Corning, and National Endowment for the Arts, National Geographic Society, and Toyota.
- Measured media exposure
- Prominent signage, and web, print, and social media recognition
- Category exclusivity and possible naming rights
- One of a kind event sponsorship opportunities
- Activation perks like social media contests, employee engagement opportunities, or giveaways
- Potentially free tickets to events. Who doesn't like free fun?
- Let's start customizing a high-impact partnership today! Contact Laurie Preston at 859-252-5222 lpreston@lasclex.org.

The LASC will again SAFELY serve students at our state-of-the-art (and science) facility with a wide array of interactive summer camps and classes in art and science. With camps centered around STEM, recycling, animals, music, art, space, theatre, dinosaurs and more...there's something for everyone!

We offer over 35 different camps for pre-kindergarten students through 12th graders during our 9 week summer session, May 31 through August 4. Your sponsorship of a one-week session of summer classes or more will allow us to ensure creative and educational opportunities to all children through reduced tuition rates and scholarships for low-income students.

\$500 A Week Sponsorship Benefits (Sponsor one week, several or all summer long)

Your company name will appear on:

- Signage on-site. Show the families of 1400 students that you CARE about innovation!
- All digital media including our 8500 + email list for all e-blasts, our 12,000+ Social media followers, and our website
- All press releases and media appearances

We invite you to become a Summer Camp Sponsor and help us serve thousands of deserving students through creative science and arts education opportunities.
